

Interactive Mind-Reading Show

Doug Kevilus is one of the most in demand corporate entertainers today! His unique blend of comedy and unbelievable mind reading keeps people talking about his performances long after the event is over.

Doug's extensive performance résumé includes TV and radio appearances, corporate events, comedy clubs, and theatres throughout the California and Nevada. Over the years he has become "a favorite" with Alice Radio and fortune 500 companies.

By combining comedy, mind reading, and complete audience participation, he is able to form a special connection with his audience.

In addition to the tremendous success he has enjoyed in the field of corporate entertainment, he has also performed as an opening act for superstars such as Bill Bellamy, Dave Burleigh, and The Dan Band.

"We had a station event at Bimbo's in San Francisco with over 800 people. He performed and had lots of audience participation - it was fantastic. Everyone loved him, I hope you hire him!"
